IMPERIAL VALLEY

IMPACT 5:13

VOTER GUIDE

A side-by-side look at where local candidates stand on parental rights, education, religious liberty, public safety, and government accountability.

You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet.

MATTHEW 5:13

Based on responses to a 29-question survey.

ABOUT THIS GUIDE

Believers are called to be salt in their communities, preserving what is good and guarding against evil. It is therefore the responsibility of every Christian to think biblically about the issues facing their community, and to steward their privileges and responsibilities as citizens.

This guide provides the Body of Christ in the Imperial Valley with additional information to make these decisions wisely.

All candidates in the Imperial Valley who made their contact information public when filing to run were invited to participate. Failure to respond should not necessarily be considered agreement or disagreement with any of the questions asked.

A QUICK NOTE FOR OUR READERS

- **Not Every Race Is Included:** This guide only covers races where at least one candidate responded to our survey. If a race on your ballot isn't listed, no candidate in that race replied.
- **Outreach:** We reached out multiple times to every candidate who provided public contact details when filing to run.
- **Participation:** This guide features only candidates who responded. Missing candidates either did not reply or kept their contact details private when filing.
- **No Endorsements:** All candidates who responded to our survey are included, and the presence of a candidate in this guide does NOT mean we endorse them.
